IRG-Rail Participates as Observer in the TTR Steering Committee

IRG-Rail is pleased to accept RailNetEurope's invitation to join the TTR Steering Committee.

This participation of IRG-Rail will be in a strict capacity as observer and does not imply any endorsement of the outcomes of the TTR project. This participation will not affect the regulatory oversight carried out by IRG-Rail Members.

IRG-Rail deeply values its current work with RNE and other stakeholders to prepare for the TTR implementation and looks forward to pursuing that work in parallel to the IRG-Rail participation as observer in the TTR Steering Committee.

IRG-Rail would like to thank RNE for their kind invitation.
